Subject: Invitation letter to the 24th South Pacific Bodybuilding Championships

Dear Presidents, colleagues and friends,

Welcome to Fiji!

The South Pacific Bodybuilding Federation (SPBBF) is pleased to announce that the 24th South Pacific Championships will take place from 26-28 October 2018 in Suva, Fiji.

We thank all the members who make up the Fiji Bodybuilding & Fitness Federation (FBBFF) for organizing this competition. 19 categories will be proposed by the host country of this major event for our discipline.

Congratulations to the Organizing Committee for the work done in recent months to receive the countries of Oceania. As a necessary link for the relationships between the different leaders we are, our sport needs everyone's development. It is also a time of meeting and exchange with all athletes, leaders, judges and officials.

To make its 24th Championship a great success come with the largest number of participants in Suva.

Attached to the present you will find the Final Entry Form to return by 30 September 2018, as well as the list of categories that will be proposed to all athletes.

Recall: Affiliation fee are payable before the start of the Congress, 100 US\$ in cash for each Federation present and only in US\$ currency because of the exchange rate (memberships fee as per Article 28 alinea 4, rule book SPBBF). Thank you all in advance.

Yours in Sport,

Pierre Frogier
Président SPBBF

Roland Chodey
Secretary General

Ursula Te'o Martin
Assistant Secretary General
